

# Elevators & Escalators

Elevators & Escalators Division is involved in supply, installation and commissioning of Elevators, Escalators and Trav-o-lators and subsequently Service & Maintenance of the same on Turnkey basis including modernisation. The Division is also involved in supply and installation of material handling and related products like Passenger Boarding Bridges (PBB), Baggage Handling System (BHS), Airport Equipments, Dock Levellers, Scissor Lifts, EOT Cranes, etc. The Division enjoys No.1 position in the market having more than 3300 units under their maintenance/ execution portfolio and has many landmark installations to their credit. Few examples are Sultan Centre having the longest inclined Walkways, Muscat City Centre having Walkways, Escalators, Panoramic Elevators and Service Elevators, Sohar Hospital having Health Care Elevators and Passenger Elevators. The Division caters to all kind of customers like but not limited to Hotels, Hospitals, Ministry Buildings, Banks, High Rise Buildings, Residential / Commercial Buildings, Embassies, Airports, Industrial Projects, etc.

Experienced and skilled maintenance service technicians keep vigil over a vast network of installations throughout the Sultanate (zoning system), 24 hours a day ensuring safe and trouble free operations of each installation.
